2019-2020 Percussion and Front Ensemble

Financial Agreement

Dear Band Parents:

Thank you once again for supporting your student in their decision to be a part of the award-winning Valencia High School Band and Color Guard program! Without the financial support from parents and the community, Marching Band, Color Guard, Winter Percussion, Drumline, Concert Band, Jazz Band and other competitive music programs would disappear due to a lack of resources. The school district provides ZERO funding for our programs beyond providing classrooms, school facilities and employing our Director of Bands. This transfers the financial burden of these programs to the students and their families!

As a result, in 1996, parents like you formed the non-profit **Valencia High School Band and Flag Booster** organization to ensure the continued success of these programs. As a current parent of a band or color guard member, YOU are now a Booster! As Boosters, our mission is to assist the Band and Color Guard with volunteering, as well as, providing financial support.

The expected Marching Band Percussion / Winter Drumline program costs for entire 2019- 2020 season are approximately \$50,000 and the **requested pledge for each participating student is \$2,000**. Our required band shoes and marching band jacket are not included in this cost (these items will cost approximately \$90 and should only have to be purchased once. Additional programs such as Jazz Band are not included. The majority of the expenses pay for instructors, props, transportation, music and drill, and competition entry fees. Students will spend over 1,000 hours over the semester on rehearsals, performances, and tournaments. Your pledge comes out to about \$1.63 an hour toward your student's training. Additionally, we help provide individual fundraising opportunities for students and their families to raise money on their student's behalf, thereby reducing their out-of-pocket contribution.

Making your financial contribution is easy! Here are three ways to pay:

1. Simply go to <http://www.PrideOfTheVikings.com/donating/> and click on the "donate" button, or
2. We can automatically debit your credit card each month so you don't have to think about it! Complete the attached *Credit Card Authorization* form.
3. Write a check or money order payable to the Valencia High School Band and Flag Booster with your student's name and program in the memo. Mail your donation to the address above.

2019-2020 Marching Band Uniform Contract

As a member of the Valencia High School Marching Band, each student is required to wear a specified uniform, fitted to them during band camp, to all designated events, including home football games and field shows. In addition, each band member is required to meet certain appearance requirements for performances, as stated below. The uniforms are the property of the VHS Marching Band, and are on loan to the student. The value of a complete uniform is about \$450. The uniforms are not to be taken home with the student. They are kept in wardrobes in the band room. It is each band member's responsibility to return their assigned uniform, at the end of the season, in a usable condition. It will be the responsibility of the student, and parent(s) or guardian, to replace any damaged part of the uniform due to misuse, plus the shipping cost of the item.

UNIFORMS: Each band member will be fitted and assigned a uniform at the beginning of the Marching Band season. The uniform is to be kept in the member's labeled garment bag when not in use, and stored at VHS in the wardrobe cabinets. It is the responsibility of each band member to return their uniform, after each performance, to the wardrobe cabinet. They must hang the uniform properly on the hanger after each use, with the pants folded to maintain the crease, then hung in half over the provided hanger, so the pants do not become wrinkled. The jacket is to be hung over the pants, with care not to fold the shoulder pads, and then zipped up in back. The garment bag is to be completely zipped closed, to help keep the jacket clean. Gauntlets are to be stored flat in the zipper pouch on the back of the garment bag. There are always parents present to help with uniforms before and after performances if a student needs a demonstration on how to store their uniform. Worn socks or worn t-shirts are NOT to be stored in the garment bag. They should be taken home by the student. Only extra CLEAN socks and CLEAN t-shirts are to be kept in the garment bags. MARCHING SHOES ARE NOT TO BE KEPT IN THE GARMENT BAGS.

While in uniform, band members should NOT eat foods that are easily spilled and that may permanently stain the uniform. This includes, but is not limited to, foods such as chili, chocolate candy, pizza, ice cream, or hot chocolate. During the 3rd quarter of football games, band members have free time to get a bite to eat and to walk around. Please exercise common sense in food choices. If something gets on the uniform, the student is asked to please notify a parent helping with uniforms immediately. A stain addressed right away has a better chance of being removed.

Replacement costs: Jacket - \$175, pants - \$100, gauntlets - \$44 (+ approx. \$75 ordering costs)

CLEANING: Please do NOT take a uniform home for cleaning. The uniforms are cleaned by a group of booster volunteers. Improper laundering at home can permanently damage a uniform.

HATS: Each band member is fitted with a Marching Band hat (called a Shako) and provided a hat box to store it in. Each band member is responsible for returning their hat to their labeled hat box after performances. Plumes are put into, and removed from, the hats by parent volunteers at performances.

Replacement Costs: Shako - \$44, hat box - \$15, plume - \$25 (Note – Pit members do not wear hats. Tuba players wear berets.)

2019-2020 Marching Band Uniform Contract Cont.

GLOVES: Two pairs of white gloves will be provided to each band member at the beginning of the season. (Exception: Percussion section – including the pit section - does not wear gloves). Gloves ARE to be taken home and laundered. A clean pair of gloves is required for each performance. If a band member's gloves are dirty or missing, a new pair will be provided at the cost of \$3.00 each.

SHOES: Each band member is required to purchase a specific band shoe at a cost of \$45. The shoes are ordered by the Uniform Coordinator. Sizing is done during the uniform fitting for all new band members. Any returning band members who need shoes, i.e.: they have outgrown or lost theirs, are responsible for notifying the Uniform Coordinator, during uniform fittings, to be included in the order. Band shoes are kept at home with each band member. It is the responsibility of each band member to bring their shoes to each uniform performance. Shoes are to be kept clean by the band member. **DO NOT KEEP BAND SHOES IN THE GARMENT BAGS!**

UNDERGARMENTS: SOLID BLACK, CALF-LENGTH SOCKS ARE REQUIRED. If a band member has the wrong color or length for performances, a pair of socks will be provided at a cost of \$3.00. Band members are required to wear their own SOLID WHITE t-shirt under their uniform. The shirt can be short or long sleeved. The collar should not show under the uniform jacket. A compression t-shirt is suggested. This is a sportswear t-shirt that has moisture wicking technology and is form fitting under the uniform. "UnderArmor" is a specific brand of compression tee that costs \$30 - \$35. One place it can be found is at sporting goods stores like Big 5. Walmart.com offers compression tees under their "Starter" brand. Walmart.com also offers "Danskin Now" Women's V-neck sport tees in a 2-pack. If a band member does not have an all-white undergarment for performances, one will be provided at a cost of \$5.00. It is also recommended that male performers wear a conforming boxer-brief or compression short.

GENERAL APPEARANCE: At competitions, the band's appearance is one of the criteria on which they are judged and scored. For all performers who wear a shako, hair is to be completely under the hat, so that no hair touches the collar and the shako fits squarely, with the brim at eyebrow level. Band members with shorter hair may only require a trim to get their hair above the collar. Band members (male or female) with hair that rests on the collar or extends past the collar should provide their own hair accessories (i.e.: hair net, bobby pins, hair bands, etc.) to contain their hair under the shako. Parent volunteers are present before each performance to help get band members ready.

Finally, please shower before performances, especially Friday night football games. This will help to keep the uniforms cleaner and last longer.

Volunteer Opportunities

The Valencia High School Band and Flag Boosters would like to welcome you back to our Award-Winning Band and Color Guard Program. We know that this year is going to be another amazing year! A combination of strong music directors, encouraging parents, exceptional students, and a supportive band booster program allows Valencia High School's Band and Color Guard to be recognized as one of the best music programs in the area.

The Band Booster organization is comprised of volunteers (mostly parents of band members) who provide financial and physical support to the band program. As a parent of a band member, you are already a member of the band booster organization. We encourage you to participate in our fundraising activities and band events. Without your help and contribution, we are not able to sustain the fantastic Valencia High School Music Program that our kids love! We are always in need of help in the following areas and encourage your help!

Operations: Equipment management- Help move/manage equipment & props at competitions & games. Help build, paint, assemble props. If you have a vehicle that could pull our trailers, please make note of that on the form as well. We love towers and reimburse gas costs!

Uniforms - Help maintain excellent condition of the uniforms worn by band members by doing the following: Assist with summer fittings, help kids with plumes, hats, and jackets at football games and competitions, and help with uniform cleaning as necessary.

Hospitality - Help make sure kids stay hydrated and fed during band camp, night & weekend rehearsals, games, and competitions. Solicit food/water donations from our local businesses to help keep costs down. Also help during our Ice Cream Social!

Fundraising - Become a part of the fundraising committee by helping to brainstorm and execute fundraising ideas to help maintain a strong program, earn money for our travels, and buy new instruments & equipment. There are many ways you can help including but not limited to: sales-based fundraisers, restaurant nights, "fun"-raisers, community donations, concessions at our events, raffles and more!

Grant Writer-A grant writer has many duties that involve researching and writing grant proposals for funding for a corporation, nonprofit organization, First and foremost, a grant writer must understand the grant application process. He or she should have superior writing and grammar skills, as well as the ability to work independently and meet deadlines. Also important are an attention to detail and the ability to understand financial and budget matters.

Days that we need help:

Freshman Rookie Camp: June 10-11, July 18-19

Band Camp: July 22-July 26 and July 30- August 4

Football Games: Dates TBD (Please visit <http://www.prideofthevikings.com/calendar/> for updates)

Student-Athlete Social Media Agreement

Social media can be a useful tool to communicate with teammates, fans, friends, coaches and more. Social media can also be dangerous if you are not careful. Every picture, link, quote, tweet, status, or post that you or your friends put online is forever part of your digital footprint. You never know when that will come back to hurt or help your reputation during the recruiting process, a new job, or other important areas of your life.

Recognizing the above, please initial each line below:

_____ I take responsibility for my online profile, including my posts and any photos, videos or other recordings posted by others in which I appear.

_____ I will not degrade my opponents or other competitors before, during, or after competitions.

_____ I will post only positive things about my band mates, teammates, coaches, opponents and officials or judges.

_____ I will use social media to purposefully promote abilities, team, community, and social values.

_____ I will consider "Is this the me I want you to see?" before I post anything online.

_____ I will ignore any negative comments about me and will not retaliate.

_____ If I see a teammate/ band mate post something potentially negative online, I will have a conversation with that teammate/ band mate. If I do not feel comfortable doing so, I will talk to the student leadership, or a band director, or coach.

_____ I am aware that I represent my sport(s), school, team, family and community at all times, and will do so in a positive manner.
